

Technical Expert Advice for Filming

Does your production have a need for appropriate and up-to-date information of various police practices and procedures? The Events & Income Development Unit (EIDU) can arrange technical interviews with experienced members of staff to assist your production in many different areas of policing.

Areas of expertise include:

Air Support Unit	ID Suite
Airport Security	Marine Support Unit
Animal Rights Activity	Mounted Branch
Central Communications Command	Murder Detective (incl. Cold Cases)
Child Abduction	Operational Feeding
Child Abuse Team	Payback
Clubs and Vice	Police Vehicles
CO19 Firearms	Probationers Training
Contingency Planning	Public Order Training Centre
Crime Academy Hendon	Rank Structure and Uniforms
Custody Procedures	Retired Officers Resettlement Unit
Diplomatic and Royalty Protection	Racial Crime
Diversity and Citizen Focus	Response Team
Dog Handler	Ritualistic Child Abuse
Dog School	Robbery Squad
Domestic Violence	Safer Neighbourhoods
Economic & Specialist Crime	Scenes of Crime Officer (SOCO)
E-Fit Facial Mapping	Special Escort Group
Flying Squad	Special Operations Control Room (GT)
Football Events Officer	Stalkers
Front Office	Stolen Vehicles
Government Security Zone (GSZ)	Traffic Collision Investigation
Homophobic Crime	Traffic Police (General)
Human Trafficking	Vehicle Recovery/Operation Foist

If you would like to arrange an interview or have any questions, then please email intellectualproperty@met.police.uk

- Please provide a brief synopsis of the particular area for which you require our technical expertise.
- We will contact you with information surrounding the charges. All charges are subject to VAT.
- You then send/fax a Purchase Order for the prescribed amount.
- Interview is arranged for a mutually convenient time and date.
- Once the technical adviser has confirmed the times of the interview, the EIDU will then issue an invoice.
