

**Freedom of Information Request Reference No:**

I note you seek access to the following information:

I would like to request the following information held by the MET on cycling fatalities in London since 1 January 2010 until the present day:

1. Please list every fatality in which a cyclist was killed by a vehicle, including date, time, location and circumstances of the incident, within the area the Met covers.
2. Please include victim name, if that is available, or a profile (age, sex, whether wearing a helmet or high viz clothing, lights if cycling at night) if not.
3. Other parties (ie vehicles) involved in the accident.
4. Whether a motorist was arrested in relation to the cyclist's death.
5. Whether a motorist was charged in relation to the cyclist's death.
6. Whether a prosecution was considered but withdrawn/ dropped by the Metropolitan police, and what the circumstances for withdrawing were.
7. Whether a prosecution was considered but withdrawn/ dropped by the Crown Prosecution Service, and what the circumstances for withdrawing were.
8. Whether a case went to trial, and the outcome at trial (ie was there a conviction, or was the driver found not guilty)
9. What the outcome was overall (eg a guilty plea before trial/ case dismissed/ a conviction, driver found not guilty etc)

Redefinition: You agreed that you were happy to remove part 2 of your request due to possible exemptions being applied to disclosure of victims names.

**DECISION**

I have today decided to disclose the located information to you in full.

Please find attached information pursuant to your request above.

**Information Rights Unit**
