Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally. However, the systems used for recording these figures are not generic, nor are the procedures used locally in capturing the crime data. It should be noted that for these reasons this force's response to your questions should not be used for comparison purposes with any other response you may receive.

**Notes**

Live data was set on 06/02/2017 and consists of offence data between 01/01/2013 and 31/12/2016.

The data set is a count of confirmed and classified notifiable offences where there is present on the crime record the the following feature code;

GW      Susp Riding Moped - Scooter - M/C at time of offence

**Police forces in the United Kingdom are routinely required to provide crime statistics to government bodies and the recording criteria is set nationally.
