EA - East Area Command Unit
NA - North Area Command Unit

Each of these BCUs is split into Teams:

The Neighbourhood Team is split into Wards, which match the electoral Wards in Greater London, which are widely available online, e.g., [Wikipedia](#)

I have included a map below of the BCUs to give geographical locations.

MPS Basic Command Units

With reference to current and previous BCU Commanders, please see the list below. Where there are fewer than 2 previous individuals shown, it is because since the inception of the BCU in question, they have not had more than the individuals shown.

Please also note that, as advised in the attached letter, some details have been withheld under S.40 of the Act.
