DRUGS INITIATIVE

[REDACTED] reported that the initiative came into force in the second week in November when the legislation was passed. [REDACTED]

[REDACTED] asked if we can publish in our own way. Yes. The flyer will also be sent to clubs for them to communicate to supporters.

[REDACTED]

[REDACTED] asked if there have been many arrests so far. [REDACTED] said yes, there have been some arrests at each ground. It will be publicised when the first banning order is issued. [REDACTED] noted that the new legislation is for being in possession of drugs.

[REDACTED]

Met Police to produce a flyer, to be used by supporters groups, outlining the drugs initiative.

[REDACTED]

There was no other business.

After the meeting there was some discussion on setting up a group so that those who want to, can communicate with each other to discuss issues such as the agenda. This would be a supporters group. It could be a Google group or a text message group.
