Hi ***** – I'm looking forward to the event. I think I need to check in with Colin – as I need to be aware of the consistency with other association and network events, and it is hard to fund one without understanding what we've done for others.

Obviously there is a strong potential here as an outreach event – although it's been brought together by AMP – there is a wider engagement, that I appreciate.

I will defer for a quick view from Colin, hoping he is able to give that.

Regards, Matt

Importance: High

Sir,

Hope you are well. I would like to make a kind request. In relation to our engagement event next week, this event is costing just under £2000.00 but we have been given only £1000.00 from the SSA budget and we are short of £1000.. We have over 130 confirmed guests and expecting a total of 150 guest including inter-faith leaders and embassy representatives.

Would you be able to support us funding part of this event? Some of our members will be contributing from our own pocket to make this event successful.

I would like to apologise, it is not something I am very comfortable asking but I strongly we are doing it for a very good cause and it will benefit the organisation in building trust and confidence in the Muslim community.

Looking forward to hear from you soon.

Regards
