Morning all,

I'm sure you've all heard the shocking news of the dismissals of the Task Force PCs yesterday, I don't know them personally but friends at Task Force have told me they are both well liked and professional officers. I won't express my personal opinion, but I definitely felt "there for the grace of God" yesterday.

Go fund me page has been set up to help with the financial implications, please consider donating.

Take care
