

**EOI - CLOSE PROTECTION CONSTABLE** [REDACTED] S31

Royalty and Specialist Protection (RaSP) Close Protection teams are responsible for the personal security of the [REDACTED]. They are London based but with travel across the UK and overseas. S31

We are looking for dynamic officers who have a strong track record of delivery across a variety of environments and are both willing and able to work towards RaSP's objectives within a culture of change.

Investment in our people is one of our key priorities and RaSP takes pride in our brand and reputation. We are seen as world leaders in the delivery of Protection, therefore it's integral that Professionalism, Integrity, Respect, Empathy, Compassion and Courage shape your decision-making and management style.

**Work Involves:**

Planning and delivery of protection operations in the UK and overseas; collaborating with stakeholders to achieve joint delivery of agreed objectives; ensuring compliance with mandatory training;

**Period of posting:** [REDACTED] S31

**Eligibility**

**SUBSTANTIVE POLICE CONSTABLES ONLY. We are unable to accept applications from Detective Constables.**

**You will be eligible to apply if you meet the following criteria:**

- You have **not** been unsuccessful in a Day 1 (PPST) assessment with RaSP or any other firearms OCU within the last 12 months
- You were **not** unsuccessful in the Comms/knowledge check or the 3 day STP assessment in the last CP process (2025).

Please note that if you applied in the Close Protection process earlier in [REDACTED] and were not successful in either the Day 1 or Day 2 assessment, then you will NOT be eligible to apply in this process. The Day 1 assessment includes one undertaken as part of the RaSP assessment or for any other firearms OCU as part of their process in the last 12 months. S31

You must have had a Mid-Year Review or End of Year Review completed on the LMS within the last 6 months. In your EOYR you must have achieved an 'acceptable standard' in your performance rating, and 'consistently demonstrated' the values)
