Commercial Pipeline

The commercial pipeline is a forward look at potential commercial activity. The eventual procurement and implementation of projects will be dependent upon completion of business case and other approvals, and subject to change in the light of prioritisation and budgetary circumstances. The information reflects the Metropolitan Police Services' anticipated procurement pipeline as at the report date.

Whilst we have used our best efforts to ensure that the information appearing in this document is reasonably accurate, the information and material contained in this report is provided for general information purposes only and the Metropolitan Police Service cannot accept responsibility for any errors, omissions, or inaccuracies. The Metropolitan Police Service makes no commitment that: the requirements identified will be procured; the annual value of any contract will be as stated; the timing of any future procurement exercises will be as stated.

The pipeline identifies projects, frameworks, and call-offs, for new and existing contracts. If you have any queries regarding procurement opportunities, please contact: CommercialMailbox@met.police.uk
